Sharing God's Love Through
Whole-Person Healing

Putting our Faith Into Action

Casa shares the love of Jesus Christ while providing whole-person — body, soul, spirit — healthcare to the low-income, uninsured and uninsurable population in our community.

This integrated medical and spiritual ministry is truly transforming the lives of the patients, the staff, and volunteers of Casa. Putting our faith into action is at the very heart of our Christian calling.

At Casa, it is our mission to share the Gospel. Casa can only achieve its mission with the help of the church. Some of Christ's last words on earth were, "Go and make disciples of all nations" (Matthew 28:19).

This mandate isn't reserved for missionaries or ministers. Rather, it is a call to every church member to be involved in God's redemptive mission in the world.

Casa - A Local Mission

By and large, members who participate in foreign missions can attest to the acceleration of their spiritual growth after a mission trip.

Foreign missions undeniably take members out of their comfort zone and surroundings and allows them to see God at work in an unfamiliar setting.

Involvement with Casa gives the church an opportunity to serve and live out their calling more faithfully. It also offers an excellent way for people to use their gifts.

Each patient, staff, or volunteer that comes to Casa joins us for different reasons and from a different point in their life. Nonetheless, God uses each person in a special way to make a significant impact for His kingdom here on earth.

"That My House Will Be Full"
Luke 14:23
